spadają liście
nie mówiąc nic
a my
spadamy razem z nimi.
jesienią przyglądam się światu
gdy zmienia kolor najciszej
pod czułą egidą zapachów
herbata paruje najpiękniej
jesienią świat wolno zasypia
najszybciej śniąc o cieple
jesienią smaczniejsza jest cisza
co brała się z wiatrem i deszczem

kamil·coding jesień 2010

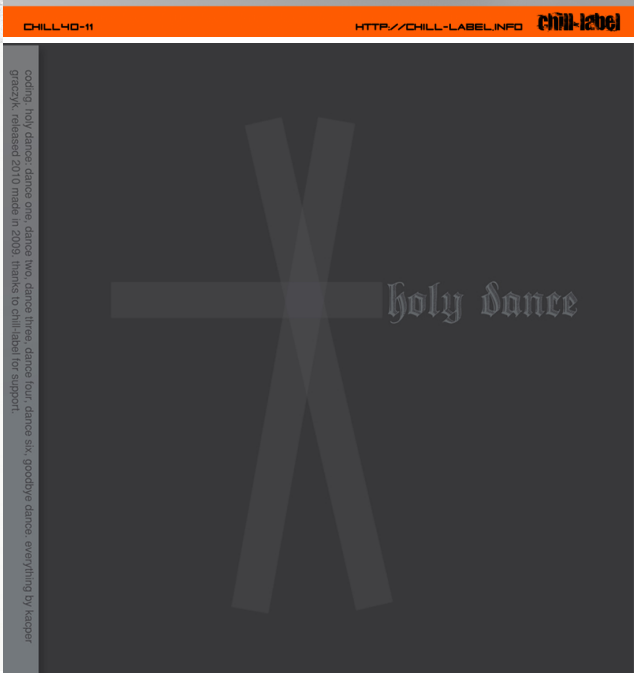

CHILL 42-11
